Treasurer Report:

- Current balance as of 10-25-2012 is \$9523.36.

Committee Meetings:

Auction Committee:

- The Derby Radio Control Club (DRCC) will be operating the concession stand.
- Ken Chadwick has authorization to speak for the Derby Club.
- The Derby Club will pay the kitchen rent this year and keep all the proceeds.
- The room is reserved for February 23, 2013, and Terry Powell will make the deposit Friday, October 25, 2012. The deposit will be \$225.00.
- Ken Chadwick will make auction flyers and distribute to local hobby shops.
- Due to the Boy Scouts having the room on the night before the auction, we won't have access to the room until 10:30pm. If they do get out earlier, then we'll be able to get into the room earlier.
- To help keep the junk out of the auction, it is suggested there be a 3-person floor committee at the auction who will determine if an item will meet the minimum \$10.00 bid. By a 2/3 majority vote, an item may be disallowed from the auction if it's deemed that it will not bring a minimum bid. The exception to this will be for items on Table 1 (items donated to WRCC) which will have a minimum bid of \$1.00.
- Raffle: We need to decide what will be auctioned. One suggestion is to auction a couple of trainers to help get people started in the hobby where the winner gets first choice.

Christmas Party:

- The Christmas Party will be at Savute's Italian Ristorante on Thursday December 13, 2012 at 6:30pm
- Ideas are needed for Christmas decorations.
- They prefer we order from the regular menu. The full menu will be available.
- Savute's is located at 3303 North Broadway Street at the corner of 32nd St. North.
